

## NAHAR NEWS | JANUARY 2022

### C-Flute Rolls Installed

Beginning the year with a transition, a shift to C-flute rolls for greater efficiency! Here's presenting our new partnership with "BHS".

Pressure Roll for our high speed corrugated board production line along with a peripherally drilled corrugating roll for highest board quality and fast pace productions. We have also added a High Precision Glue/Doctor Rolls which is widely used in single/double facers and glue units of high speed complete corrugators. So as an update, we now have B & C flute combinations for all your daily corrugated requirements.

### New Member

We are pleased to welcome Amandeep Sharma to Nahar as our new Stores Manager. With an experience of 6+ years solely in managing & maintaining the stores, he is extremely keen towards making a positive contribution to Nahar. He is willing to seek challenging assignments that will contribute towards the company & his self growth. We are certain that he will prove to be an asset to our organisation.

### **Never too Late to Motivate - Finsys**

We had the pleasure to welcome our ERP partners to our premises this month. They not just always end up providing innovating enterprise solutions for our

manufacturing operations but also help us improve our everyday working style. This time they initiated the 'ERP User Certificate' wherein all team members who have succesfully adopted the ERP in their work patterns are given a recognition certificate boosting the employee morale towards learning more & doing better. Certainly an engaging & a very motivating exercise!

Kind Regards  
Nahar Family
